Powerstep ProTech Full Length

#25-550

Description

Available only to the medical community!

The Powerstep ProTech Full Length orthotic features a strong, medical-grade polypropylene shell that is calibrated for optimal flexibility and support. The ProTech Full Length orthotic includes:

- Medical grade therapeutic arch supports calibrated with flexibility
- Double layered shock absorbing poron/EVA cushion casing to enhance comfort
- Heel cradle and comfort cushion to stabilize and protect the heel during landing
- Heat and friction reducing anti-microbial fabric for dryness

Available in twelve sizes.
